"…totalled some 42,000 in 2001, 38 percent more than in 2000."

Page 25, paragraph 88

Lines 5 to 11 should read

"In 2001, 75,000 persons from The former Yugoslav Republic of Macedonia became internally displaced, and 93,000 crossed the border into the Federal Republic of Yugoslavia, triggering an emergency deployment by UNHCR. However, negotiations at the political level, and confidence-building measures in which UNHCR played an important role, contributed towards restoring peace. By year's end, some 80 percent of the refugees and IDPs had returned to their homes, decreasing the refugee population by some 90,000."
